Delivering Solutions  
**Delivering Success.**

# About Us

**Radiant Logistics Company** is a professionally managed logistics and transportation service provider, delivering reliable, efficient, and customized supply chain solutions across the Kingdom of Saudi Arabia and GCC countries.

Our journey began in Dammam, Saudi Arabia, where we established our first office under the banner of Radiant Logistics Company. Built on a foundation of commitment, integrity, and operational excellence, we have steadily expanded our presence across the Middle East to meet the growing demands of regional and international trade.

As a local team of experienced supply chain professionals, we understand the unique logistics landscape of Saudi Arabia and the GCC. We combine local expertise with global best practices to ensure smooth, cost-effective, and timely movement of goods for our clients.

At Radiant Logistics, we do not simply move cargo – we build long-term partnerships by delivering dependable logistics solutions that support our customers' growth and success.

## Our Services

Land Transportation

Air & Sea Freight

Customs Clearance

Project Cargo

Warehousing

# 1. Land Transportation

We provide comprehensive land transportation solutions across Saudi Arabia and GCC countries, supported by a reliable fleet and experienced drivers.

## **Our land transport services include:**

- Full Truck Load (FTL)
- Less Than Truck Load (LTL)
- Flatbed & Lowbed transportation
- Refrigerated transportation
- Cross-border GCC transportation
- Dedicated and project-based transport solutions

We ensure safe handling, real-time coordination, and on-time delivery for every shipment.

## 2. Air & Sea Freight

Radiant Logistics offers efficient and flexible air and sea freight services tailored to meet urgent and large-volume shipping requirements.

### Air Freight Services:

- Express and standard air cargo
- Door-to-door solutions
- Consolidation services
- Import & export handling
- Time-critical shipments

### Sea Freight Services:

- Full Container Load (FCL)
- Less Than Container Load (LCL)
- Breakbulk cargo
- Ro-Ro shipments
- Port-to-port and door-to-door services

Our strong network of global partners ensures competitive rates and smooth cargo movement worldwide.

## 3. Customs Clearance

We provide professional customs clearance services to ensure fast and compliant cargo movement through Saudi and GCC ports.

### Our customs services include:

- Import & export customs clearance
- Documentation handling
- HS code classification
- Duty and tax coordination
- Compliance with Saudi customs regulations (ZATCA, SFDA, SASO)

Our experienced team minimizes delays and ensures smooth clearance at all entry points.

## 4. Project Cargo

Radiant Logistics specializes in project cargo and heavy-lift logistics, managing complex shipments with precision and safety.

### Project cargo solutions include:

- Oversized and heavy cargo handling
- Route survey and planning
- Special equipment arrangements
- Industrial, oil & gas, and construction projects
- End-to-end project management

We ensure detailed planning, risk assessment, and flawless execution for every project.

# 5. Warehousing

Our warehousing solutions are designed to support efficient inventory management and distribution.

## Warehousing services include:

- Short-term & long-term storage
- Bonded and non-bonded warehousing
- Inventory management
- Packing & labeling
- Distribution and last-mile delivery

Our facilities are managed with strict safety, security, and quality standards.

Reliable Logistics  
That Move **Your**  
**Business Forward.** ,

# Our Mission

To deliver reliable, efficient, and innovative logistics solutions that exceed customer expectations while ensuring safety, compliance, and operational excellence across Saudi Arabia and the GCC.

# Our Vision

To become a leading and trusted logistics partner in the Middle East, recognized for service quality, innovation, and long-term customer relationships.

# Our Values

## **Integrity :**

Conducting business with honesty, transparency, and ethical standards

## **Innovation :**

Continuously improving processes and solutions

## **Customer Focus :**

Placing customer needs at the center of everything we do

## **Ownership :**

Taking responsibility and delivering on our commitments

## **Excellence :**

Maintaining the highest standards in service and operations

# Strengths of Radiant Logistics

- **Strong local presence in Saudi Arabia**

With a strong operational presence across Saudi Arabia, we understand local market dynamics and regulations. This enables us to deliver efficient, compliant, and timely logistics solutions.

- **Experienced logistics and supply chain professionals**

Our team consists of highly experienced logistics and supply chain professionals with proven industry expertise. They ensure smooth execution, operational excellence, and reliable service delivery.

- **End-to-end logistics solutions under one roof**

We offer comprehensive end-to-end logistics solutions covering transportation, warehousing, and supply chain management. This integrated approach simplifies processes and enhances efficiency.

- **Reliable partner network across GCC and global markets**

Through a strong partner network across the GCC and global markets, we ensure seamless cross-border logistics. Our partnerships enable consistent service quality and extended reach worldwide.

- **Customer-centric and flexible service approach**

We adopt a customer-centric approach, tailoring solutions to meet specific business needs. Our flexibility allows us to adapt quickly and deliver value-driven logistics services.

- **Commitment to safety, compliance, and quality**

Safety, compliance, and quality are at the core of our operations. We follow strict industry standards to ensure secure, reliable, and high-quality logistics services.

## Our Partners

**Radiant Logistics works closely with a strong network of:**

- International freight forwarders
- Shipping lines and airlines
- Transport operators
- Customs and port authorities
- Warehousing and distribution partners

These strategic partnerships enable us to deliver seamless logistics solutions across borders.

## Conclusion

At Radiant Logistics Company, we bridge the gap between ambition and achievement. Our promise is simple – efficient logistics, dependable service, and long-term partnership. We look forward to growing together and supporting your business every step of the way.
